

GenkiEnglish!!

Engage your students in the energetic, "Genki" world of songs, games and exciting lessons. Have all your students, and their parents, learning more than you could imagine and begging for more. If you need an instant boost of energy in your English lessons right now, then this is the program for you!

Put the CD in a normal CD player to hear the groovy songs, but place the same CD in a suitable computer and you have a whole new learning experience featuring talking lyrics and interactive quizzes! Go on, buy a set today, you'll be wishing you'd done it sooner!
